Reviews

It is one of the best ebooks. Yes, it is actually engaging, still an interesting and amazing literature. It has been developed in an exceedingly straightforward way in fact it is just following it. After finishing reading through this book, it basically modified me, altering the way I really believe.

(Mr. Maynard Kessler PhD)

FLUKE: OR, I KNOW WHY THE WINGED WHALE SINGS

Harper Perennial. Paperback. Book Condition: New. Paperback. 321 pages. Dimensions: 8.9in. x 5.8in. x 1.0in. Just why do humpback whales sing? That's the question that has marine behavioral biologist Nate Quinn and his crew poking, charting, recording, and photographing very big, wet, gray marine mammals. Until the extraordinary day when a whale lifts its tail into the air to display a cryptic message spelled out in foot-high letters: Bite me. Trouble is, Nate's beginning to wonder if he hasn't spent just a little too much time in the sun. Cause no one else on his team saw a thing -- not his longtime partner, Clay Demodocus; not their saucy young research assistant; not even the spliff-puffing white-boy Rastaman Kona (n Preston Applebaum). But later, when a roll of film returns from the lab missing the crucial tail shot -- and his research facility is trashed -- Nate realizes something very fishy indeed is going on. By turns witty, irreverent, fascinating, puzzling, and surprising, *Fluke* is Christopher Moore at his outrageous best. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
