Orion Publishing Co, United Kingdom, 2010. Paperback. Book Condition: New. 194 x 128 mm. Language: N/A. Brand New Book. This is a wonderful powerful novel that deserves to win an Oscar TIME OUT It s the spring of 1968, the sun shines down on an America on the brink of civil war. Martin Luther King preaches in vain for non-violent protest and the ghettos of Washington DC seethe with anger. In the middle of this powder-keg is thrust a young black cop, barely out of school himself. Derek Strange believes passionately that he can make a difference, but his friends and family think he s a traitor and a patsy of the white establishment. On April 4th, 1968, Dr King is assassinated on the balcony of his motel in Memphis, Tennessee. And black America rises as one to condemn the slaying of their hero. For one week, it seems that the whole country will fall. And Derek, his brother, his father, his mother and his whole community find themselves at the heart of a battle for the heart and soul of the new world.
