Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it in fact modified me, altered the way in my opinion.

LUCID ROMANTIC BALLAD: A LYRIC ESSAY (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.A man finds himself in the midst of a world which he has trouble understanding; the prevailing definitions of reality don't make much sense to him. He suddenly becomes inspired to begin speaking out his own story. That man would be me, and Lucid Romantic Ballad would be my attempt at honesty. I have run into hundreds of persons at cafes and bars who have wanted to know what my book is about ; but I seem to stumble every time in my attempts to formulate a response. I tend to say something vague like: It's basically me trying to sketch my worldview-the way I see reality. I talk about a lot of different subjects in the process. Lately, I've taken to saying that it's about girls and God; this seems to be somewhat more effective. The work begins with a reflection on how I always believed that romanticism (abbreviated to romance) was an adolescent way of seeing the world-but how I eventually realized that this judgment was very much mistaken. In this sense, I suppose the work could be called something of a spiritual bildungsroman. The book is a lyric essay (i.e. creative nonfiction). The work is organized into 12 parts of 12 stanzas each-for a total of 144 stanzas in the entire work, each about 1.5 pages long. Every stanza is independent from but also interconnected with all of the other stanzas....
