NEPAL (ENCHANTMENT OF THE WORLD)

Children's Press (CT), 1996. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This series succeeds dramatically in communicating the unique charm, the allure, and the cultures of other parts of the world. Here also are geography, history, economics, key attractions . and so much more. The result is a delightful mix of enchantment that is as riveting as it is informative. From the start, readers are caught up in the crisp style of the series. Whether it's a description of bustling London, or an incredibly readable explanation of the decline of ancient Egypt, 5th-grade-and-up students are right there . visualizing . understanding . and remembering! Best of all, little is overlooked that will contribute to the readers' total appreciation of a culture. Be it sagas of Vikings or folktales of trolls. Or even acknowledgment of modern Vikings like Thor Heyerdahl. There's mystery such as England's Stonehenge and Egypt's Great Pyramids . plus nature's wonders -- like Australia's egg-laying platypus and China's gentle but rare pandas. Everything is there . to be enjoyed, relished, and learned from. Each book also includes a chapter of brief biographies of important people. And each features an 8-10 page reference section of "quick facts", perfect for students' research, about such subjects as population, government, geographical data, currency, and historical chronology. Throughout, all the books are ablaze with a generous amount of beautiful full-color photographs. "Enchantment of the World" can be of equal importance in the l.
