Reviews

This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Missouri Satterfield DVM)

COMPLETE GUIDE FOR NEW SINGLE DADS: EVERYTHING YOU NEED TO KNOW ABOUT RAISING HEALTHY, HAPPY CHILDREN ON YOUR OWN

Atlantic Publishing Co. Paperback. Book Condition: new. BRAND NEW, Complete Guide for New Single Dads: Everything You Need to Know About Raising Healthy, Happy Children on Your Own, Craig W. Baird, Raising a child alone whether you are a father or mother can be the most trying experience in anyone's life. Learning to handle all the many duties that two people would normally deal with and adjusting to the overwhelming demands of a child on a daily basis is a trying experience. Yet, the U.S. Census Bureau estimated in 2006 that over 12.9 million single parents raise their children alone. While a small percentage of that was single fathers (2.5 million), the hard reality of raising a child alone remains the same for either parent. Through hours of meticulous research and interviews, this book was compiled to show exactly how a single father can raise a child alone to be happy and healthy without the help of a second parent. You will learn, as a single father, how to reassure your children and maintain the feeling of a family. You will learn how to help them feel better regardless of whether you are a single father through death or divorce. You will learn how to treat your children and how to communicate with them. The basics of discipline and rules will be outlined for a single-parent household, along with tips on how you can have fun with your children the right and healthy way. You will learn the differences between having daughters versus sons as a father, and how to handle the myriad issues that the mother would normally handle. Dozens of hours of interviews with experts in child psychology and child raising were conducted, and have been included in this book to provide a complete outline of what...
