The number of places is limited to about thirty and those who contemplate w-ork at the laboratory should make application early. Alumni are especially urged to call the attention of prospective students to the laboratory which is distinctly their project. By special request Professor Macbride will again take charge of the laboratory during the coming summer and he will be assisted by a strong corps of instructors. As he is absent on the Pacific Coast during the present academic year communications concerning registration, information, etc., should be addressed to: P. Shimek, Iowa City, Iowa. ENGINEERING NEWS LATER Owing to the fact that a decision on the engineering situation had been expected in the legislature before this issue went to press and because the legislators had reached no conclusion no attempt is made to cover the recent engineering developments. It is probable that a definite solution of the educational problem will be formulated by the time the March number of The Iowa Alumnus is ready for the printer. A thorough resume of recent engineering history will then be made.
