This is not "that" book. Travis Stork, the handsome and charismatic star of "The Bachelor: Paris," has chalked up more dating experience than most men could claim in a lifetime. As an ER doctor, he's also an expert on the psychological and physiological factors involved in mental and emotional well-being. If she's not saying yes, she might very well be a drama queen who is always saying no because she can't seem to live without conflict. Then again, she might not be dramatic at all, just miserable inside, wearing her anger and bitterness as a badge of honor. In short, she's the girl who's trying fruitlessly to be someone she's not -- who's falling victim...
