Reviews

This created ebook is wonderful. I am quite late in start reading this one, but better then never. You may like the way the author compose this pdf.

(Frederic Lang)

POWER SYSTEM PROTECTION AND AUTOMATIC DEVICES

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 282 Publisher: China Electric Power Press Pub. Date :2006-1-1. This book is a secondary vocational education. national planning materials. This book is divided into 13 units. the main contents are: the grid-current protection. distance protection grid. full wire-speed action to protect transmission lines. automatic reclosing of transmission lines. power transformer relay. generator relay protection. busbar protection . Microprocessor-based relay. BZT device. according to the frequency of automatic load shedding devices. synchronous generator automatic parallel device. the automatic adjustment of synchronous generator excitation equipment. fault recorder. This book covers the electric power system protection and automatic devices two aspects. In microprocessor-based relay protection devices and microprocessor-based automatic devices commonly used today. the original grouped into one of the relay protection and automatic device is entirely feasible. Because of their input signal pre-processing and hardware circuit is basically the same. after the merge. reducing the unnecessary duplication. Meanwhile. also in line to the power plant and substation integrated automation direction of the trend. Book. unit title below an executive summary of this unit. each unit is followed by summary and review of this unit thinking questions. This book can be used as various types of secondary vocational education class professional electrical materials. but also in the relay protection and automatic devices for the work of engineering and technical officers. Contents: secondary vocational education textbook publishing national planning Preface Introduction 1 1.1 unit grid-current protection circuit three-phase fault short circuit current protection 1.2 white grid in the direction of grounding grid-current protection to protect 1.3 Summary Review questions Thinking Module 2 grid The distance protection 2.1 The basic principle of distance protection relay constitutes a principle 2.2 2.3 impedance impedance...
