Obsession

By Karen Robards

Brilliance Corporation, United States, 2013. CD-Audio. Book Condition: New. abridged edition. 140 x 127 mm. Language: English . Brand New. Katharine Lawrence has no idea what hit her. The attack came out of nowhere. Only hours earlier she had been enjoying a girls-only weekend with an old college friend. Now she finds herself lying bound and gagged on her kitchen floor, staring with terrified eyes at her friend Lisa while two masked gunmen search her house for what? She doesn't know. She knows only that, unless they can escape, whatever it is they are searching for could end up getting both her and Lisa killed. But Katharine's nightmare is just beginning. When she awakens in the hospital, her nose crushed, her body battered, her brain tells her that things aren't right and it's not the attack that's disorienting her. She doesn't recognize herself when she looks in the mirror: her slim body, her manicured hands, her blond bob. And the smiling, handsome doctor at her bedside Dr. Dan Howard is familiar, but in a totally unfamiliar way. Perhaps the trauma of the attempt on her life has given her some kind of weird amnesia....
