BENDING ADVERSITY: JAPAN AND THE ART OF SURVIVAL

DOWNLOAD

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Bending Adversity: Japan and the Art of Survival, David Pilling, This is a both definitive and highly enjoyable book on how modern Japan works, from Asia expert David Pilling. It is also the financial Times Book of the Year 2014. "An affectionate, beautifully written and counter-intuitively optimistic take on the country, which stresses Japan's ability to reinvent itself." (Gideon Rachman, Financial Times). Despite years of stagnation, Japan remains as one of the world's largest economies and a country which exerts a remarkable cultural fascination. David Pilling's new book is an entertaining, deeply knowledgeable and surprising analysis of a group of islands which have shown great resilience, both in the face of financial distress and when confronted with the overwhelming disaster of the 2011 earthquake and resulting tsunami. Bending Adversity is a superb work of reportage and the essential book even for those who already feel they know the country well.
