# PREVENTING GOOD PEOPLE FROM DOING BAD THINGS

Paperback. Book Condition: New. Not Signed; In today's turbulent technological environment, it's becoming increasingly crucial for companies to know about the principle of least privilege. These organizations often have the best security software money can buy, with equally developed policies with which to execute them, but they fail to take into account the weakest link in their implementation: human nature. Despite all other efforts, people can sway from what they should be doing. Preventing Good People from doing Bad Things...
