Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Alpha Books. Paperback. Book Condition: new. BRAND NEW, The Complete Idiots Guide to Connecting With Your Angels: Nurtue Your Relationship With Your Spiritual Guides, Damon Brown, Cecily Channer, From biblical times to our modern age, there are few spiritual beings that captivate our attention as much as the angels. According to a recent Gallop Poll, about three out of four of us believe the angels are watching, protecting and directing our everyday lives. But how can we get closer to them and listen to their spiritual guidance? The exciting part is that the angels are already among us - it just requires a little effort on our part to better connect and communicate with these loving beings. "The Complete Idiot's Guide to Connecting with Your Angels" shows you what angels are, why the angels make our lives easier and better, how to recognize angelic guidance and why the angels exist. The authors also dispel the many myths surrounding the angels, as well as giving several ways to work more closely with the angels that have been by your side since before your birth. Building a better relationship with your angels is a rewarding process and this book is a comprehensive, excellent first step on this journey.
