Arcturus Publishing Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 194 x 128 mm. Language: English . Brand New Book. The period from 1775 - the outbreak of the American Revolution - to 1789 - the storming of the Bastille - is the turbulent setting of this uncharacteristic Dickens novel. It is his only novel that lacks comic relief, is one of only two that are not set in nineteenth-century England and is also unusual in lacking a primary central character. London and Paris are the real protagonists in this tale, much as the cathedral was the hero of Hugo s Notre Dame de Paris. Dickens was writing at a time of great turmoil in his personal life, having just separated from his wife, and no doubt the revolutionary theme was in tune with his mental state.
