KARAMBA (PAPERBACK)

Trafford Publishing, Canada, 2007. Paperback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Karamba, a long distance truck driver, AIDS patient and health education advocate, teams up with his friend and physician, Cinzano, to educate the largely ignorant populace via the media about AIDS. The resulting violence eventually led to spurious allegations sponsored by government against Cinzano aimed at delisting him from the register of licensed medical practitioner. The process started from a panel set up by government to publicly probe him using beneficiaries of government contracts as members. Unfortunately for government, the public inquiry took a turn that exposed the government in many ways than one. The story's landscape is that of an impoverished African country firmly held in the throes of the AIDS pandemic, amidst widespread poverty, ignorance and exploitation by the privileged....
