Reviews

This sort of pdf is everything and made me searching forward plus more. Better then never, though i am quite late in start reading this one. You may like just how the author compose this book.
(Mae Jones)

THE ARTICULATE ATTORNEY: PUBLIC SPEAKING FOR LAWYERS

Crown King Books. Paperback. Book Condition: new. BRAND NEW, The Articulate Attorney: Public Speaking for Lawyers, Brian K. Johnson, Marsha Hunter, Stacy Caren Ulrich, Addressing the distinctive communication skills expected of attorneys--and based on three decades of experience coaching lawyers--this manual of practical, useful solutions integrates cutting-edge discoveries in human factors, linguistics, neuroscience, gesture studies, and sports psychology. These techniques will transform any attorney into a more confident speaker, whether addressing colleagues in a conference room, counseling clients in a boardroom, or presenting a CLE in a ballroom. Including tips on bringing the presentation off of one's notes and using direct eye contact, the book answers such common questions as: How do I channel nervous energy into dynamic delivery? What is a reliable way to remember what I want to say? How do I stop saying "um" and think in silence instead? and Why is gesturing so important? Topics are divided into chapters on the body, the brain, and the voice, with an extra section specifically dedicated to practice.
