Brand New Book ***** Print on Demand *****.Excerpt from Facts of Interest Concerning the Military Resources and Policy of the United States Considerable interest has been shown in the subjects of military instruction in colleges, military reserves, methods of enlistment, and the exact nature of the measures either now in force or contemplated to safeguard the Nation. This interest is indicated by many letters, particularly from college presidents, editors, etc., requesting a brief statement of the latest official and reliable data on the above subjects. Believing the information would be of value to all thinking persons interested in the continued peace and welfare of our country, the following is sent out for use, if desired, as a ready reference on the subjects treated.
