

Informed by Science-Involved by Christ: How Science Can Update, Enrich and Empower the Christian Faith

By Klaus Nurnberger

XLIBRIS. Paperback. Book Condition: New. Paperback. 264 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. For millions of our contemporaries informed by modern science the Christian faith makes no sense any more. For many others it has become a private preoccupation they dare not display in public. Have we lost the credibility and power of our faith Did we get stuck in obsolete worldviews and superstitions Taking valid scientific insight on board, and repackaging our priceless message in the worldview of our times, we can be scientists and believers with integrity and restore the credibility and relevance of our conviction. Klaus Nrnberger is Professor emeritus and Senior Research Associate at the University of KwaZulu-Natal, South Africa. Meet him at www.klaus-nurnberger.com. SOME CRITICAL VOICES: How is it that hardly any major religion has looked at science and concluded, This is better than we thought! The universe is much bigger than our prophets said, grander, more subtle, more elegant . . . A religion, old or new, that stressed the magnifi cence of the Universe as revealed by modern science might be able to draw forth reserves of reverence and awe hardly tapped by the conventional faiths (Carl Sagan, quoted by Richard...
