Createspace, United States, 2012. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the story of a magical, musical monk of a man named Pio, and a wild woman-child named Lilly who was raised by birds and animals and is twice as free as them all. It takes place in Provence, France, sometime before the industrial revolution, when humans still lived in harmony with the sun and moon. It is a lyrical story, fully celebrating the mystery of life in a multi-dimensional Universe full of astonishing beauty and wonders. Though Lilly is free of fear regarding all creatures of the sky, earth and sea, she is deathly afraid of mankind. Pio, on the other hand, is full of compassionate love for humanity, and as he grows in amazement at the beauty of Lilly s innocence and magical relationship with all of nature, he is gifted with the ability to heal the sick who come to him for help. Pio s obvious call to serve people, and Lilly s hatred of them finally drive them apart until the day Lilly meets the very heart of darkness and the true reason for the deepest fears of her life. Pio and Lilly is a tale about a great Love, and a power that can transform not only them but us, and how we see life, for I believe that everything in this story is truly possible. I know in my heart of hearts that the potential of life is wondrous beyond our highest dreams, and that a very great Love is at work, right now, in this world, to wake us up from a very old spell of a sense of separation and transform our relationship to God, ourselves, each other, animals,...
