KINGS LYNN THROUGH TIME

DOWNLOAD

Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, Kings Lynn Through Time, Paul Richards, As important in the Middle Ages as Liverpool was to become in the Industrial Revolution, Lynn (as in local parlance) was a major English port and market town for centuries, with access to ten counties through the Great Ouse and its tributaries. Aptly described as 'The Warehouse on the Wash', it maintained its position until the railways robbed the port of much of its river and coastal traffic in the 1840s and 1850s. Though the railways and docks together brought about a degree of industrialization up to 1945, Lynn did not experience rapid expansion until the 1960s and 1970s, with people and industries arriving from London. Since 2000 there has also been significant regeneration of the riverside. In 2005, Lynn became the first English town to join the New Hanseatic League of European cities.
