Excerpt: .of these suggestions, that will guide the person to good health and long life, the word persistence, because where they are needed the most they will require more constant application. The thought for us to grasp in this connection is that we can control the vital force by an effort of the will if we persist, and that we can overcome the unconscious tension upon the muscles by sending the devitalizing thought to the muscles not in use, until it becomes a habit that will not require our attention. There is more of health in the devitalized muscle than in the hard, knotty muscle of the trained athlete. The power of alternately contracting and wholly relaxing the muscles is the condition that will give greater endurance, greater precision of movement, and greater individuality of expression in their motion, so that the getting possession of...

Reviews

A very amazing ebook with lucid and perfect answers. it was actually writtern quite flawlessly and useful. Its been written in an exceedingly basic way and it is simply right after i finished reading this publication in which basically changed me, change the way i really believe.
