Brand New Book ***** Print on Demand *****.Excerpt from America in the Orient There is a class in this Republic more British than American, whose chief object is to direct the foreign policy of the United States in England s interest, no matter what the result may be to the Republic. This class, small but noisy, has its press agents and its after dinner advocates, but the average American knows how small is its real influence when weighed in the balance of public opinion and how futile must necessarily be its efforts. During the last four years it was particularly in evidence, disseminating the falsehood that Great Britain stood between us and the Continental Powers during the Spanish War. The persistent and systematic circulation of this lie was so general as to affect the judgment of many honest and patriotic Americans, who forthwith joined the troop of Anglomen, whose voice made the welkin ring with the story of our obligations to Mr. Chamberlain s ministry. France, Russia and Germany endured in silence for four years this impeachment of their good faith, and Lord Pauncefote strutted around Washington in the guise of our protector and saviour, while our State Department practically abdicated its functions and became the echo of the British Foreign Office. A change, however, has come over the scene; although Hay still holds the State portfolio, an American sits in the chair at Washington. The Secretary of State, whether justly or unjustly, it is not for me to say, is regarded as the exponent and defender of British policies in this country. It has been alleged by many eminent public men that if he were to change places with Lord Pauncefote he could...
