GABRIEL OF NOAH S ARK (PAPERBACK)

Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 178 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Gabriel the lion had found favor with God. But he never imagined a greater task than the one which God would chose for him. Gabriel of Noah s Ark is a tale taken from three of the world s holy books, the Christian Bible, the Jewish Torah, and the Muslim Qur an like you never heard it before. Learn the challenge Noah must face with a stubborn wife who was much too busy to listen to her husband s rant, and a fourth son who excused his father s warning as nothing more than fairy tales. Learn why the Raven never returned from its outing over the waters, and why he was the only creature who would dare argue with God s commandment. Find out how even Noah tried to stall God s plan and found it himself hard to believe that even God would destroy the world. Never before have all three versions been woven into one story until now. Open your mind and heart and read the tale you only thought you knew, and get ready to set sail on an adventure of Biblical proportions.
