The orders given to the Baldwin locomotive works call for 325 large freight locomotives. These engines are to be turned out as fast as possible. Cramp Steel Company Reorganized. --Plans for the reorganization of the Cramp Steel Company, limited, of Collingwood, Ont, in which a good deal of American capital is interested, have been successfully accomplished. The property of the company was sold under foreclosure proceedings by the North American Trust Company of New York and the new organization, the Northern Iron and Steel Company, limited, took its place. The stockholders of the old company were admitted to the new company on the payment of a small assessment. The Northern Iron and Steel Company, in order to quit its title to the property, applied to the Ontario government for a meritorious title. This has been granted. IRON AND STEEL TRADE PRICES AND CONDITIONS. Pittsburg. --The revival of full production in the coke region, has permitted the extension of the operation of the blast furnace capacity and the regularity of the steel plants is insured. The market activity has not lessened during the holiday season although there is perhaps less rushing than a few weeks ago when the market was advancing so rapidly. Prices are more settled now and while it is admitted that somewhat higher prices are to rule during the current year, there is no fear as to supplies for the full year in any branch of production. The movement of pig...
