Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Excerpt: . . . called their attention to the good thing in that tree, and volleys, instead of single bullets, would have come my way. I dont blame the fellow, though. He was attending to what he considered his business, and attending to it well until I interfered by getting out of his reach. I was in a very good imitation of service clothes, had a cartridge-belt and revolver strapped to my waist, and he undoubtedly mistook me for an officer making a reconnoissance. Wriggling a little way from the tree, I made myself as comfortable as I could in the long grass behind a bush. But here I could see nothing except at intervals, and then what I could see did not satisfy me. It was while lying here now that I beca-me aware of a curious possibility on the battlefield. In the hottest fire, one may become absent-minded! From lack of ability to see well, I began to think of other matters--of home, of Broadway, of a former tripto the tropics, of the poor fare we had on the transport, and of a certain restaurant in New York where the cold salads were always a delight on a hot summers day. I had suffered much from rheumatism in the past, and the exposure of sleeping in wet grass the night before, and the hard tramping on this day, had begun to make themselves felt by a painful stiffening. Finding my position on the ground too cramped,...
